Book Launch / Le lancement de livres

If you have published a book since May 2010, we will give you a brief time to talk about it at the CSHM annual Strawberries and Champagne book launch! Please contact Erika Dyck (erika.dyck@usask.ca) if you would like to take part in this well-attended and fun part of the program.

Si vous avez publié un livre au cours de l'année (depuis mai 2010), nous aimerions vous inviter à participer au lancement de livres des membres de la Société canadienne d'histoire de la médecine. Cet événement se tiendra lors de notre traditionnel apéro « *Champagne et fraises* », et vous permettra de présenter brièvement votre livre. Laissez Erika Dyck (erika.dyck@usask.ca) savoir si vous souhaitez prendre part à ce lancement de livres. Tous sont conviés à découvrir les dernières publications des membres de notre société.
