

### **CSHM Small Grant Program**

Students are experiencing unexpected research costs due to the pandemic. To this end, the CSHM/SCHM has put together a bursary program to support graduate student research. All Canadians and permanent residents working on a history of medicine topic for their MA thesis/Major Research Paper or PhD dissertation are welcome to apply. Preference will be given to students presenting at the CSHM/SCHM Conference June 1-2 2021. You can ask for up to \$500 in funding.

**Deadline: 5 March 2021**

**Name:**

**Supervisor:**

**Institution:**

**Full time or Part time Status:**

**Proposal (300-500 Words):**

Provide a brief description of your topic, the contribution it will make to the history of medicine, and the sources that you will be using:

**Budget:**

Please provide an accounting of what the money will be spent on. Eligible expenses include books, scans of archival documents and newspapers and archival database subscriptions.

**Please send applications to Jenna Healey at: [jenna.healey@queensu.ca](mailto:jenna.healey@queensu.ca)**
