PARTICIPANTS:

Each speaker is allowed 20 minutes for presentation of his/her paper. . .no more, no exceptions, unless the request is for less time. THIS TIME ALLOTMENT IS TO INCLUDE ALL AUDIO-VISUAL PRESENTATIONS.

Please remember that the opportunity to present papers at the annual meeting of the CSHM is reserved for members of the Association. The Board asks that you ensure that your registration with the Association is in order by contacting (if necessary):

Dr. R. A. Macbeth
Secretary, CSHM
14 Prince Arthur Avenue, Suite 101
Toronto, Ontario M5R 1A9

CHAIRPERSONS:

- 1) Because of the heavily loaded programme, Chairs are asked and encouraged to ensure that each session ends on time.
- 2) Please keep introductions short but identify the speaker's name, affiliation, area(s) of study, and where s/he is from. And of course there's the title of the paper.
- 3) Each speaker is allowed 20 minutes for presentation of his/her paper (including audio-visual aids). . .no more, no exceptions, unless the request is for less time.
- 4) We have allowed for a 10 minute discussion period to follow each presentation. We intend this to be for discussion; please try not to let the speaker extend the presentation into this period.

RIOT ACT

- 5) To keep the speaker to 20 minutes, provide a polite indication of time remaining at 3 minutes. Stop the speaker at 22 minutes. The Programme Committee will support your intervention to this end up to binding, gagging, and bodily removal if necessary.!
